Become a Partner of the Tigers Football & Cheer Association

The Tigers Football & Cheer Association (TFCA) proudly supports the Fleetwood Area High School football and cheerleading programs through fundraising, community engagement, and financial support that enhances the student-athlete experience. As a registered 501(c)(3) nonprofit organization, our mission is to provide resources and opportunities that help athletes succeed both on and off the field.

Through the generosity of local businesses, families, and community supporters, TFCA helps provide:

- Equipment and uniform enhancements
- Safety initiatives and training resources
- Team-building and leadership development opportunities
- Facility and program improvements that create a first-class student-athlete experience
- Special projects that strengthen and enrich the football and cheerleading programs

As a local business, you play an important role in the success of our students and community. Your sponsorship is more than a donation—it is an investment in the character, leadership, and future of the young people who proudly represent Fleetwood. Every dollar raised directly supports our football and cheerleading programs and helps create opportunities that would not otherwise be possible.
